

On the Right Track: Determining Your Road to Success In Conjunction with the KSDE Pre-Conference Monday, October 24, 2015

Leadership teams encouraged to attend.

In this day-long session, participants will explore the complex changes facing our schools today (accreditation (5 Rs), educator evaluations, 1 to 1 initiatives, plcs, etc.) and experience strategies that support district and building leaders in implementing desired changes.

Are you on the right track? Keys to successful implementation begin with understanding change and its effect on your building/district, plus the design and delivery of effective professional learning (HOW) that supports your change. Bring issues relevant to your school and leave with new insights and tools to make change happen! **JOIN US!!**
